Championships & Awards

Championship Awards

Separate Championships are awarded for overall Competitor and overall Restricted classes.

There is no restriction on a horse/rider combination being awarded more than one Championship.

At Competitor level, Pony classes are combined with the Open class to form an overall placing for the allocation of points, and in the Restricted classes the age categories are combined in an overall class to form an overall placing for the allocation of points.

There will be no separate championships for ponies.

In the case where there is only one competitor at a level, the Championship will only be awarded where the required tests are completed with an average percentage of 58% or above.

For each dressage test, points are awarded, based on the points system of 30 for 1st, 29 for 2nd, 28 for 3rd and so on, on placings gained within the overall class.

The Championship at each level is determined by the total points achieved in the two individual dressage tests at that level with the exception of Para Champion, with the higher total points awarded being the Champion. Para Champion is determined by the horse and rider combination with the two highest Para test scores over all the levels.

In the event of a tie, the Championship will be determined with the combination with the higher percentage in the higher individual dressage test at that level being the Champion.

If still tied, the higher collective marks in the higher individual test will decide, if the collective marks are equal, the collective marks of the Judge at C will be decisive.
