

# SDDC TRAINING DAY

Our signature two-day dressage championship Southern Solstice **is not far away**, and this year it includes an overseas judge!

To help you prepare for the competition, we invite you to join us on

**SUNDAY 4 JANUARY 2026 ALBANY EQUESTRIAN CENTRE  
INDOOR ARENA**

You can purchase one, two or three 10 minute spots and ride them consecutively, separately or, if booking three spots, a mix of both during the day.

There are so many options such as:

Using your slots to build you and/or your horse's confidence in a competition arena,

Practicing up to three of your tests with/ without judge's feedback - a great opportunity if upgrading to a new level

Or book three spots and ride the first two consecutively - in the first one ride your test, gain feedback from the judge then immediately in the second work through the parts that need improving while the judge is there to give you feedback as you do it...then come back an hour or so later and use your third spot to ride the test again to check your improvement...

You can really make these days work for you and your horse.

**10 minute spots cost \$15 each. Max three spots per horse.**

**Ground fee \$5**

**Entries close 28 December, 40 spots available so get in quick!**

Judges Virginia Longley and Louise Hillman
